

Seeking Full-Time Business Faculty in Statistics, Business Analytics, Operations Management, and Information Technology

FTCC Positions in Business

Position Description

[NYU Shanghai](#) is currently inviting applications for a position at the rank of Assistant Professor of Practice or higher in Business.

Qualifications

We seek candidates who have completed a Ph.D. in Statistics, Business Analytics, Operations Management, and Information Technology/Systems or closely related fields.

Application Instructions

Applicants should submit a cover letter, curriculum vitae, and a statement of teaching interests. Additionally, applicants will be prompted to enter the names and email addresses of at least three referees. Each referee will be contacted to upload a reference letter through Interfolio.

This is a Full-Time Continuing Contract Faculty (FTCC) position. Candidates must have completed a Ph.D. by the time of appointment in September 2023. Typical appointments are on 3-year terms, with expected teaching loads of 4 courses per academic year. While we seek applications from candidates with an active research profile, successful candidates will be hired on the basis of teaching and service.

Applications are being received from March 8, 2023. Review of applications will begin on April 3, 2023 on a rolling basis and will continue until the position is filled. Thus, early applications are strongly encouraged. To apply, follow this link <https://apply.interfolio.com/122302>. If you have any questions, please email the NYU Shanghai NY Office of Faculty Recruitment shanghai.faculty.recruitment@nyu.edu.

Terms of employment at [NYU Shanghai](#) are comparable to NYU New York and other U.S. institutions.

About NYU Shanghai

[NYU Shanghai](#) is the third degree-granting campus within New York University's global network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's global network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by fourteen additional academic centers across five continents. Faculty and students circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
